

H2 Geography (9173)	Theme 1: Tropical Environments	TMJC
Tutorial 5	Mass Movement	2025

- 1a) Draw an annotated diagram of the mass movement in Resource 1 to show its characteristics. [Sample Qns] [5]
- 1b) Draw an annotated diagram of the mass movement in Resource 2 to show its characteristics. [5]
- 1c) Draw an annotated diagram of the mass movement in Resource 3 to show its characteristics. [5]
- 1d) Compare the characteristics of the mass movements as shown in Resources 2 and 3. [4]
- 1e) Explain how climate could have contributed to the mass movements shown in Resource 1, 2 and 3. [6]
- 1f) Apart from climate, explain **one physical** and **one human** factor that may influence the type of mass movement shown in Resource 2. [4]
- 1g) Apart from climate, explain **other** factor that may influence the type of mass movement shown in Resource 1 and 3. [6]
- 2a) “Climate the main factor causing mass movements in the tropics.”
Evaluate this statement. [20]

Resource 1 for Question 1

A type of mass movement in Seasonally Humid Tropics

Resource 2 for Question 1

A type of mass movement in the humid tropics

Resource 3 for Question 2

A type of mass movement in the arid tropics
