**1 hour 50 minutes
(08:10 – 10:00)**

READ THESE INSTRUCTIONS FIRST

This Insert contains the text for **Section B**.

Section B

Read the printout of a webpage below and use the information to answer the question on page 3 of the Question Paper.

	
<i>Explore our range of carefully designed camps that support your child's learning, confidence, and personal growth</i>	
	Future-ready Leadership Camp A structured programme designed to build leadership and real-world communication skills. • Learn to deliver persuasive presentations and communicate ideas confidently to large audiences • Engage in role-play scenarios to master negotiation • Gain insights from successful industry entrepreneurs through dialogue sessions. • Lead a team to plan and execute a simulated community outreach event
Artificial Intelligence and Innovation Camp Campers work in small teams to tackle real-life problems. • Get hands-on experience using basic AI tools to analyse data and find patterns • Create a prototype to solve urban living issues • Work with mentors to develop a simple app aimed at solving a neighbourhood problem • Present your team's innovative prototype to a panel of expert "investors" for feedback	
	Sustainability and Eco-education Camp This camp focuses on biodiversity conservation, research, and educational initiatives. • Assist biologists in collecting and documenting data on local flora and fauna • Attend a zero-waste workshop to create sustainable household products • Learn to use digital storytelling to raise awareness about endangered ecosystems • Design and conduct an interactive eco-fair for local residents to promote recycling habits
